Industry Training

Java Developer Intern

Techdenovo

June 2022 - August 2022

- Completed a 6 weeks intensive training program in Java.
- Gained practical experience in core Java development.
- Worked on real-world projects under the guidance of experienced professionals.

Summary

A motivated and detail-oriented IT engineering student with a diploma in computer engineering and hands-on experience in Java development through industry training. Seeking an internship or entry-level position to leverage my technical skills and contribute to innovative projects.

Education

Qualification	College	Passing year	percentage
Diploma	Navsahyadri Institute Technology Nasrapur Pune	2023	82.17
SSC	DR. Shankarrao Kolate Vidyalaya Pisarve	2020	85.60%

Projects

Tumour Detection Using MRI

Developed a system aimed at detecting tumours in MRI scans using advanced image processing techniques and machine learning algorithms

- Prepared comprehensive documentation detailing the project's objectives, methodologies, and outcomes.
- Collaborated with the team to compile and present project findings.
